

CULINARY ARTS NEWS

May 2025

A note from the Chefs:

Hello Families,

We've had a fantastic few weeks in the kitchen! Our future chefs have been working hard learning new recipes, practicing kitchen safety, and building confidence with hands-on cooking and baking skills. From prepping pizzas to baking muffins from scratch, everyone is making great progress. We're so proud of how far our future chefs have come—and we can't wait to share more delicious creations soon!

With pride,
The Culinary Arts Team
