

Message from the CEO

Dear Families, Donors and Community Leaders,

During our 2023-2024 year, our organization was marked by significant milestones, achievements, and the resilient spirit of our community. Whether it's the remarkable progress of our educational programs, the success stories of individuals and families we've touched, or the community-driven initiatives that have flourished, this report is a testament to the power of collaboration and shared purpose.

None of these accomplishments would have been possible without the generosity and commitment of our incredible community of families, donors, and partners. Your contributions, whether in the form of time, resources, or expertise, have fueled our mission and made a lasting impact on the lives of those we serve.

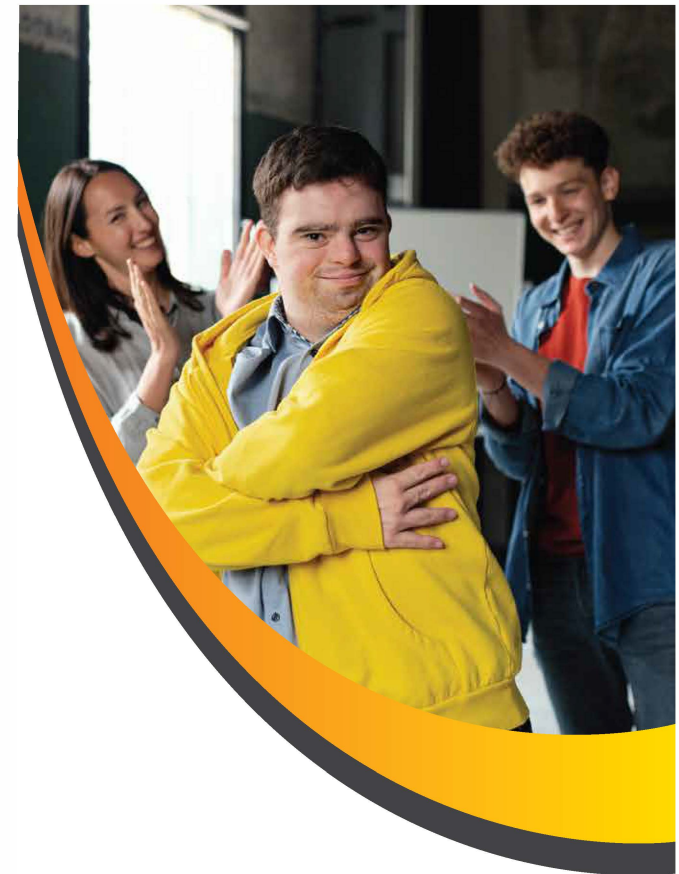

As we celebrate our achievements, we also set our sights on the future. The challenges that lie ahead require continued collaboration and support. We are excited about the opportunities to expand our programs, reach more individuals and families, and make an even greater impact in the coming year. Your ongoing involvement is crucial, and we invite you to join us in this journey toward a brighter and more inclusive future. Please take a moment to see the impact of our mission at work!

Sincerely,

Emilio Sosa
